

Environmental Policy (ISO 14001:2015 5.2)**Introduction to IO Controls:**

Founded in 2004 and operating from offices in Milton Keynes, we specialise in Building Energy Management Systems offering Support Services, Project Delivery and Consultation.

Organisational Purpose:

To make Building Energy Management Systems (BEMS) easy!

Organisational Vision:

To provide all strategic and operational stakeholders with quality solutions through a highly engaged team working effectively and consistently.

Strategic Direction:

We aim to generate profitable growth through organic and non-organic means around a core commitment to Quality, Customer Loyalty and Employee Engagement.

Environmental Policy Statements:

- We are committed to the protection of the environment, including prevention of pollution, and supporting our Clients in the reduction of energy use in their operations.
- We are committed to satisfying applicable legislative, regulatory, and contractual requirements in our commercial and other relationships with stakeholders.
- We are committed to the continual improvement of the Environmental Management System (EMS) in response to changes in Purpose, Context and Strategic Direction and through accumulated learning connected with its deployment such that environmental performance is enhanced
- This Policy will be used as a framework for setting Environmental Objectives.

Communicating the Environmental Policy:

- This Policy will be maintained as documented information within the Quality Management System.
- This Policy will be communicated effectively within the organisation such that its intended meaning and impact is understood.
- Efforts will be made to ensure the Policy is available to interested parties as appropriate.
